

SPORT IN A BAG IMPACT REPORT

OUR MISSION

Whether it's a child, team, or nonprofit organization serving children, the Lindy Infante Foundation helps cover the costs of youth athletics no matter the sport. We believe that participation in sports has the power to connect youth to a greater sense of purpose, growth, and opportunity.

COMMUNITY YOUTH CAMP

This summer, we sponsored the inaugural Columbus Community Youth Camp at Lou Berliner Sports Park. This was a weeklong camp that provided equitable sports opportunities for children ages 6-12. Each child was introduced to 15 new sports and engaged in different activities that promoted confidence and personal wellness while teaching life lessons like *teamwork*, *sportsmanship*, and *overcoming adversity*.

KIPP FOOTBALL CAMP

In July, we hosted our first camp back since 2019, and the first ever football camp at KIPP Columbus on their brand new state of the art stadium! We had over 30 children from 10 different zip codes attend.
